Deades

Remember this

a picnic tea or

the pool of the rock today

Had a look round and I must

say the place has not changed

at all. No modern gift-shops

of commercial factory in any

way. Covered 180 miles in all

visited Cheddar Wells Wainmings

and Salisbury and Stone also

called in the Duke of Bath's estate

at Longtate and saw his plane

on safari in the lion country
they call it Ray Done John
